

Shields River Road Planning Project

Open House

The Federal Highway Administration (FHWA), in partnership with Park County and the United States Forest Service (USFS), are developing a planning study to analyze roadway conditions, identify areas of concern, and develop improvement options for the Shields River Road corridor from US 89 (MP 0.0) to the National Forest Boundary (MP 19.5). Recommendations have been identified to address the most critical needs of the corridor and will help the study partners prioritize and allocate resources to address the needs.

When: Tuesday, August 13, 2019
4:30 PM - 6:30 PM (Open House)

Where: **Shields Valley Senior Citizens Center**
208 S Elliot St
Wilsall, MT 59086

What: The open house is an opportunity for members of the public to speak directly with project staff to have their questions answered while learning about the planning process. The public will have the opportunity to review and comment on the recommended improvement options.
