Budget Message

September 30, 2016

Residents of Park County:

This document is the final budget for Park County, Montana for the fiscal year ending June 30, 2017. A brief summary of the budget follows with explanations of noteworthy changes in the coming fiscal year.

Overview of Budgeted Resources

The following table depicts beginning fund balances, budgeted revenues, budgeted expenditures, and estimated ending fund balances for the coming year. This table reflects estimated revenues of \$15,181,880 and budgeted expenditures of \$16,735,753, resulting in a projected ending balance of \$14,688,694 for all funds. This ending balance is 1.3% more than was projected for the prior year. All Park County funds are included in this table, broken down between Governmental Funds and Proprietary Funds.

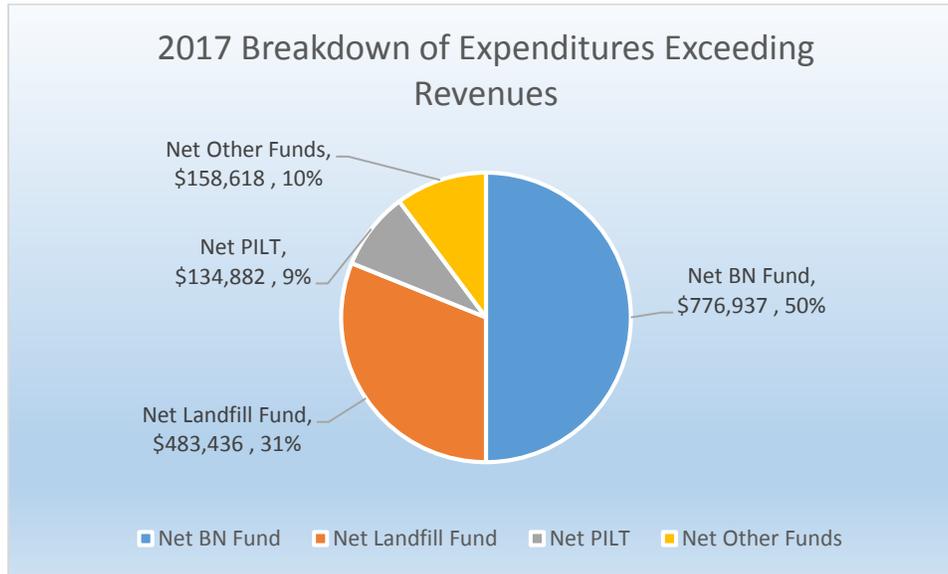

Projected Changes in Fund Balance/Cash Balance Final Budget – July 1, 2016 through June 30, 2017

	Governmental Funds				Proprietary Funds	
	General	Special Revenue	Debt Service	Capital Project	Enterprise	Total All funds
Beginning Fund Balance	\$781,954	\$3,247,231	\$0	\$9,752,234	\$2,461,148	\$16,242,567
Plus Budgeted Revenue	\$3,474,116	\$9,954,993	\$0	\$567,935	\$1,184,835	\$15,181,880
Less Budgeted Expenditures	\$3,469,557	\$10,276,782	\$0	\$1,321,144	\$1,668,271	\$16,735,753
Projected Ending Fund Balance	\$786,513	\$2,925,443	\$0	\$8,999,026	\$1,977,712	\$14,688,694

This year, Park County has followed a practice of budgeting revenues and expenditures conservatively to try and create a more realistic picture of what actually happens during the year assuming “normal operations”. In the past, expenditures were budgeted for “worst case scenario” which inflated expenditures well over revenues. In Fiscal Year 2016, expenditures were originally budgeted at \$18,223,656 and revenues were originally budgeted at \$15,430,363 while actual expenditures were \$16,134,006 and actual revenues were \$15,463,866. There were some projects that were not started until 2017, but that does not account for all of the variation. While Park County recognizes that unforeseen events occur, in 2017 Park County is focusing on regular operating expenses and planned projects for the fiscal year 2017 budget. The conservative revenue approach practice recognizes that it is easier to acknowledge an excess of revenue than to deal with a shortfall. Because of the conservative approach to revenues, estimated ending fund balances are sometimes lower than beginning fund balances in several budgeted funds, but they may end up higher at the end of the year. It’s possible that there will be unforeseen and/or uncontrollable expenses, such as natural disasters or accidental losses, but those are excluded so that the data can be looked at as “normal operations”.

For Fiscal Year 2017, expenditures exceed revenues by \$1,553,873 compared to the Fiscal Year 2016 amended net difference of \$3,120,743. The BN fund and the Landfill fund include expenditure items with little or no corresponding revenues (see Notes).

Notes:

1. Net BN Fund – Revenues received are interest and proceeds from a loan to the Road Department and a loan to the Cooke City Emergency Services. Most of the expenditures are for FLAP, Federal Lands Access Programs where Park County has to match Federal Dollars at a rate of 13.42%, allowing Park County to leverage its dollars for large road projects. In Fiscal Year 2017, there are 2 main projects, the Main Boulder Road FLAP (\$462,460) in conjunction with Sweet Grass County and the Mill Creek Road FLAP (\$231,025). In addition, funds are used to pay for the Search & Rescue building loan and the Landfill Monitoring and Testing required by DEQ associated with the BN Settlement.
2. Net Landfill Fund – The Landfill is in the process of closing down, and there are funds held in trust to cover the costs of closure. After the Landfill is closed and approved by the Montana Department of Environmental Quality, Park County will be reimbursed out of the trust.
3. Net PILT – “Payments in Lieu of Taxes” (PILT) are Federal payments to local governments that help offset losses in property taxes due to non-taxable Federal lands within their boundaries. The law recognizes the inability of local governments to collect property taxes on Federally-owned land can create a financial impact (www.doi.gov/PILT). In Park County, PILT supports the 911 Dispatch Center, the Public Safety Department, the Road Department, other departments and various community agencies that provide support to the elderly and others in need. Other departments are supported as well.
4. Net Other Funds – The remainder of the funds have net budget differences of \$158,618.

For fiscal year 2017, Park County Commissioners requested that the budget more accurately reflect actual spending levels. Departments looked at the 5 year history of actual spending for fund line items along with a look at 2016 spending. In addition, a 5 year analysis of payroll, including employment taxes and benefits, determined that Park County consistently pays less than 97% of budgeted amounts due to turnover. For 2017, with a payroll of \$6,434,314, that amounts to \$193,029 that likely will not be paid out over the year. Additionally, while PILT expenditures exceed revenues by \$134,882, the revenues were kept at the 2016 level and it’s possible that the PILT revenues will increase in 2017 as they have in the past allowing PILT to keep a better reserve. These two factors increase the likelihood that for Park County, excluding the BN Fund and the Landfill Fund, revenues and expenditures will be more closely aligned in FY2017.

Highlights of the FY17 Budget

Taxable values and mill levies

The county-wide total taxable value of property was certified by the Montana Department of Revenue to be \$40,817,325 for fiscal year 2016 calculations. Of that amount, \$339,075 is the value of property in two Tax Increment Financing (TIF) Districts within the city of Livingston. The TIF Districts use gains in property taxes within the TIF District to finance improvements within those TIF Districts. The difference between the base year amount and the current year amount is not available for use outside of the TIF Districts. The taxable value of property in Park County is calculated by subtracting the value of the TIF from the total taxable value, which comes to \$40,478,250 for fiscal year 2017. The value of a county-wide mill is 1/1000 of the taxable value of property (less the TIF) in Park County, so one mill is equal to \$40,478 for fiscal year 2017.

Park County general purpose mills are apportioned among the following funds: General, Bridge, Weed Control, Fair, Airport, District Court, Comprehensive Insurance, Library, Shields Valley Senior Center, Law Enforcement, and Museum. The growth in number of mills for these aggregate mills went from 88.05 mills in fiscal year 2016 to 89.03 mills in fiscal year 2017, per calculations according to Montana Code Annotated 15-10-420.

The increase in value of a county mill and the increase in number of mills allowed to be levied are expected to increase tax revenues for Park County general mills by approximately 4.1%, from \$3,461,346 in fiscal year 2016 to \$3,603,779 in fiscal year 2017. The inflation factor applied to the previous year's maximum property taxes was 0.5%.

Non-tax revenues for the same funds are budgeted to increase by 12% from \$3,509,429 in fiscal year 2016 to \$3,928,271 in fiscal year 2017. This is largely due an increase in funding to Public Safety from PILT and an FAA grant for an Airport Capital Project in 2017.

The Park County Commissioners levied the entire authorized amount of Park County general purpose mills for fiscal year 2017.

Sheriff's Office

The Sheriff's Office is funded as part of the overall Park County budget. The office includes the separate areas of General Law Enforcement, Adult Detention and Search & Rescue. The purpose and mission of this office is to serve and protect the persons and property in Park County and to enforce the laws of the United States. The authority to meet this purpose and mission is established in Title 7, Chapter 32, and Part 21 of the Montana Code Annotated.

The Park County Sheriff's Office (PCSO) currently provides basic law enforcement and Search & Rescue services to the residents and visitors of Park County, Montana. Due to current staffing levels, budget restrictions and ever increasing calls for service, PCSO is finding it difficult to be proactive and is even reactive at times, especially during the summer months when tourism is at its highest. Public and officer safety is at stake, so the funding and manpower issues must be addressed.

To help solve PCSO staffing and budget shortfalls, resume proactive community oriented policing, increase training for staff, increase safety, comply with statutory requirements and implement desired programs, PCSO had an [Organizational Staffing Analysis](#) performed in 2016. Meetings with Park County Commissioners about the department challenges and financial constraints led to discussion about asking for the public's support of a Public Safety Mill Levy. According to the

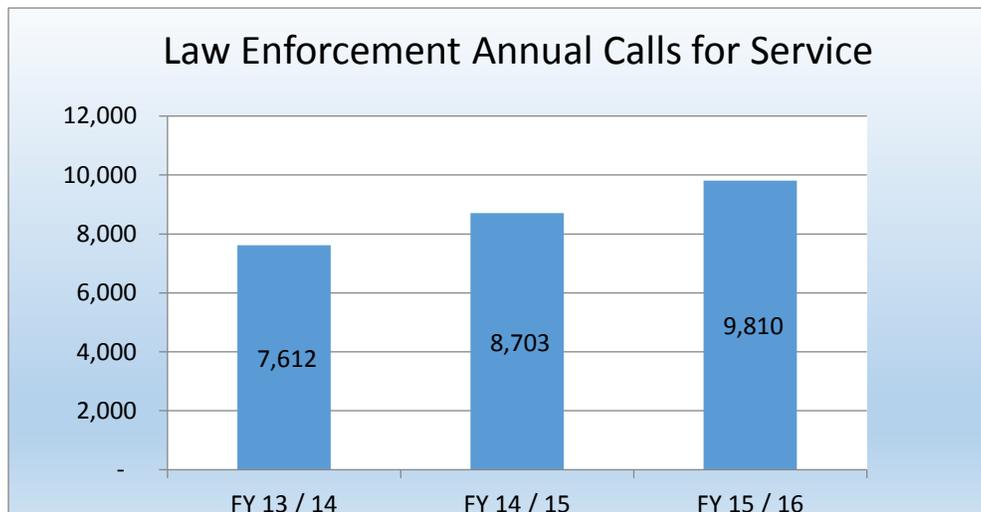

Commissioners, all current mill assessments and other revenue streams are being expended. In short, there is little extra money to fund expanding Public Safety needs without finding another source like a Public Safety Mill Levy.

The Public Safety Mill Levy was presented to the voters in June, but it failed to pass. The Sheriff met with Commissioners and everyone agreed to work on pursuing it again in the near future. In the meantime, funding and manpower shortages remain our greatest challenge. Due to the Public Safety Mill Levy not passing with the voters, the Commission elected to increase funding from PILT to cover part of the shortfall in meeting Public Safety current operating expenditures. This ended up impacting other areas funded by PILT, notably Roads and Community Funding.

Law Enforcement & Detention

Expenditures in 2016 were \$2,229,225, and the 2017 budget has increased 8.9% to \$2,411,899. Part of the increase is due to the Detention Center receiving a \$55,000 grant in 2017, of which \$22,435 will be paid for by the state Department of Health & Human Services and the remainder will be paid using existing funds.

General Law Enforcement includes activities associated with patrol, investigations, supervision and administrative areas of the department. These activities are conducted county-wide including within the City of Livingston. In all cases, the deputies are responsible to adhere to the Sheriff's policies and procedures. The Sheriff is responsible for supporting the positions with supervision, evaluations and other administrative tasks. The Adult Detention Activity of the Park County Sheriff's Office is responsible for the care and custody of individuals accused of a crime, convicted individuals awaiting sentencing, sentenced inmates awaiting transport and prisoners sentenced to the Park County Detention Center. Adult Detention is housed in the basement of the City / County Complex and can house 21 inmates.

Law Enforcement continues to see an average annual increase of 13% in calls for service.

Detention is having more inmates with mental health issues, increasing the cost of medicine. The Detention grant will allow the Detention Center to increase mental health services by using the services of mental health specialists to evaluate inmates, prescribe and evaluate medications, and provide therapy services. The grant also provides additional training for Crisis Intervention Training.

Search & Rescue

Search & Rescue (SAR) expenditures characteristically are unpredictable due to the varying numbers and types of services required during a budgeted year. Expenditures are budgeted to facilitate an active search season which will allow the Sheriff's Office to authorize emergency SAR operations in a timely manner throughout the year, without a delay due to inadequate funding. In fiscal year 2015, for example, SAR spent \$188,353. These expenses were due to the first full year of loan payments, maintenance and utilities for our new SAR building and a very active search year, requiring multiple technical rescues and helicopter usage. In contrast the 2016 SAR budget shows a much less active SAR year and a below average building operations and equipment costs, with expenditures being only \$121,890. The 2017 budget of \$199,772 reflects an increase in the SAR Building loan payments due to an increase in loan interest rates and projected active SAR season expenditures due to increased costs of specialized equipment and services costs. Additionally the .5 SAR Administrator position was increased to .7, which increased payroll and benefits for this much needed position. Due to the reduced expenditures in 2016, a higher than normal reserve was created for SAR therefore, the revenues for 2017 have been reduced from \$149,164 to \$121,890.

The Search & Rescue activity was created after the voters approved a mill levy of up to 1.00 mills restricted to Search & Rescue needs. The Sheriff is responsible for all Search & Rescue missions in Park County. Trained deputies act as incident commanders in support of highly skilled unpaid professionals. Deputies also fill slots in ground teams for searches and rescue operations. A part-time SAR administrator coordinates volunteers, operations, logistics, budgeting, and equipment maintenance. Park County Sheriff's SAR has three sub-districts; Livingston, Gardiner and Cooke City. Volunteers that make up Search & Rescue in Park County come from all walks of life. Each individual possesses unique skills helpful to the successful completion of our missions. Park County Sheriff's SAR is always seeking volunteers to join its organization.

Public Works

Public Works operates and maintains Park County infrastructure through various departments including the Road and Bridge, Refuse, Weed Control, Junk Vehicle Program, Mosquito Control, Trails & Park, Building & Facility Maintenance and Capital Improvement Projects. The Director is funded by proportionate transfers to the General fund from the Road, Bridge, Landfill, and Refuse Funds.

Road

The Road Fund accounts for costs related to maintenance and reconstruction of Park County roads. In 2016, the Road department serviced 149 roads. The Commission decreased expenditures by about 4% for the Road fund from \$1,647,459 in fiscal year 2016 to \$1,582,833 in fiscal year 2017.

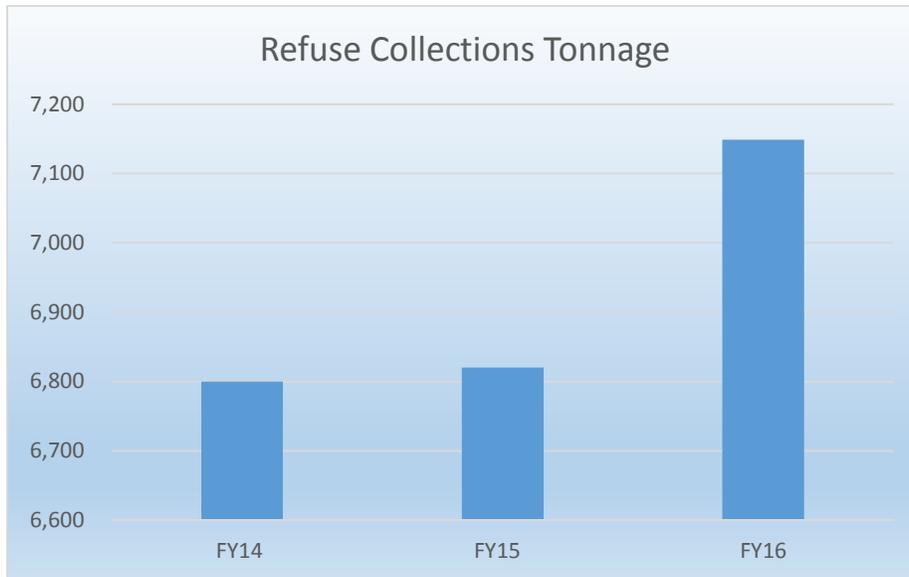

Budgeted revenues for the Road Fund have also decreased by about 3% from \$1,668,735 in 2016 to \$1,619,858 in 2017. Although expected tax revenue will increase by almost \$17,000, non-tax revenue is expected to decrease by over \$65,000 which is mostly due to a reduction in transfers in from PILT from around \$480,000 in 2016 to \$400,000 in 2017 to relieve the burden on PILT.

Refuse

In 2011, Park County commissioned a study to review existing methods of handling solid waste and to provide alternatives. The Commissioners chose to pursue the alternative of using the city of Livingston's transfer station for waste disposal, and in fiscal year 2013 Park County transitioned to using the city's transfer station for disposal of all Park

County waste. Fiscal year 2014 was the first full year of implementing this practice, and fiscal year 2017 will see a continuation.

Concurrent with use of the City of Livingston’s transfer station, operations at Park County landfill were greatly reduced. In the coming fiscal year, Park County has budgeted to continue full closure of the landfill using funds from a mandatory closure/post-closure trust fund. Landfill expenditures are lower in fiscal year 2017 as the bulk of the work was done in 2016. Expenditures on the collections side of refuse were also decreased in the current year to reduce transfers out to the Refuse CIP.

In August 2014, the Commissioners passed Resolution 1192, which amended the Park County Refuse District #1 fee policy and schedule of charges. This resolution formalized the number of assessments for residences and businesses, as well as allowing an assessment against tax-exempt properties such as schools, churches, etc. In 2017, the total value of each assessment will not change and remains at \$155, of which \$12 is applied to the landfill and \$143 to the Refuse facility and collection operations.

Public Health

With a new Park County Health Nurse hired at the end of 2015, many changes have taken place in the Public Health Department. Public Health is funded from about \$130,000 from the General Fund and the rest of the funds come from grants. In 2016, Health expenditures totaled \$301,850 after picking up three new recurring grants during 2016 for the Connect program for \$30,500, a Tobacco grant for \$36,000 and an Asthma grant for \$30,000. Additional grant funding for a local Women, Infant & Children (WIC) program increased the expenditure budget to \$339,152 in 2017 without increasing the Park County outlays of tax revenue in Public Health. The Women, Infant & Children program, previously administered out of Bozeman, will allow much better access to programs locally.

On the revenue side, Public Health received \$12,500 from the State DPHHS for quality improvement projects, initiated billing of insurance to increase immunization revenue and started working with Gallatin County on Project LAUNCH for reimbursement for training and home visiting. Project LAUNCH is scheduled to last three more years and Park County expects more reimbursements than the \$4,000 already received for maternal and child services and training in 2017. Additionally, the City of Livingston and Livingston Healthcare have each agreed to contribute \$11,000 toward Livingston School District nursing hours. This has had an immediate impact because there are now open hours for student visits to the nurse.

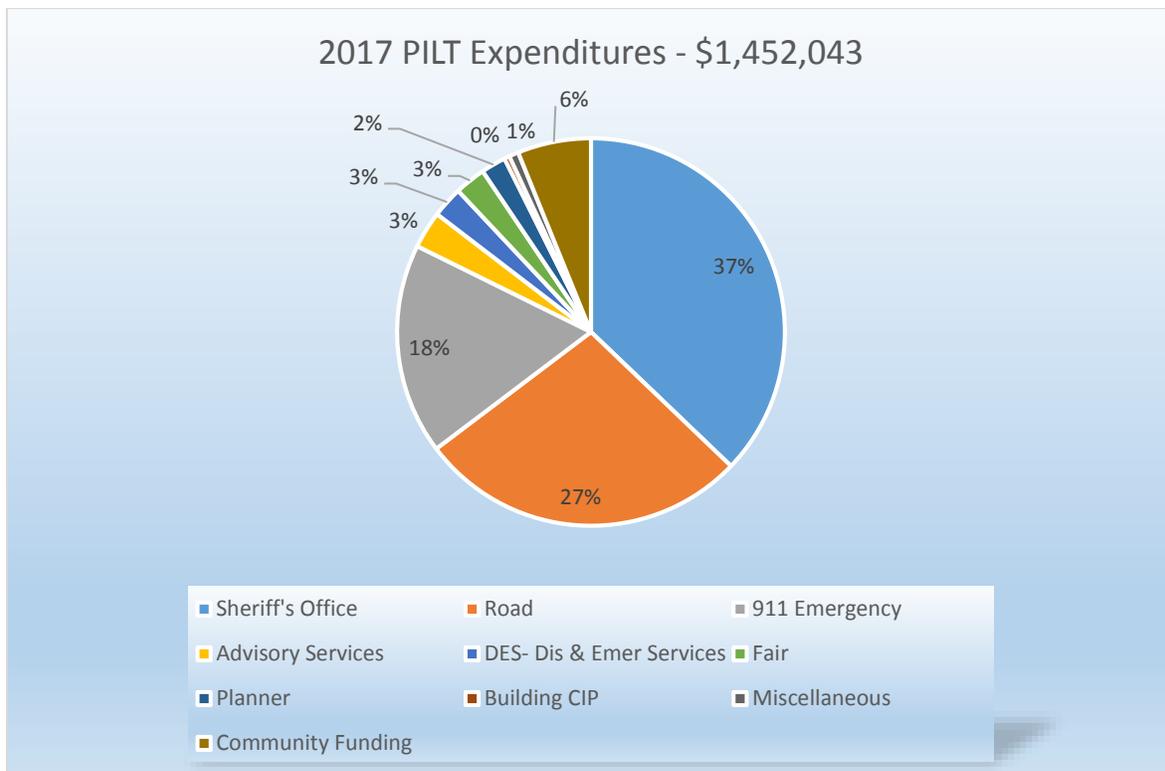

PILT and Forest Reserve Act Funding

There are 2 major federal programs through which Park County receives substantial funding.

Payment in Lieu of Taxes (PILT) funds are received annually from the federal government in lieu of taxes on federal property within Park County and are dependent upon congressional appropriations. The Forest Reserve Act, also known as the Secure Rural Schools and Community Self Determination Act (SRS), was designed to provide assistance to rural counties and school districts to compensate for lost revenues from declining timber harvests on federal lands.

Funding for both PILT and SRS is still an unknown as of this writing. The usual recommendation from the Montana Association of Counties is to budget anticipated revenues for SRS and PILT according to current law, even though it is very likely congress will most likely extend both programs.

The Commissioners have expressed the goal of maintaining a one-year cash reserve in the PILT fund. At the end of 2017, the Ending Fund Balance is estimated to be \$746,900, a little over half of what is desired.

In fiscal year 2016, the total amount that Park County received for PILT was \$1,407,519, which breaks out to a payment of \$1,308,161 and a one-time supplemental payment of \$99,358. The one-time payment was directly related to the federal government's sequestration action that made 2015 funds available in 2016. Park County has budgeted PILT revenue for fiscal year 2017 at the same level that was paid in 2016 at \$1,308,161.

The majority of appropriations from PILT are transfers out to other funds in order to finance their operations. It is also used to pay for operating costs of certain services such as Public Safety programs, advisory services, motor pool maintenance, and assistance to local non-profit organizations providing public health and social services. In 2016, appropriations have been decreased significantly, by almost 16%, to a little less than 2015 spending. PILT appropriations decreased from \$1,719,625 in fiscal year 2016 to \$1,452,043 in 2017. Park County recognizes that PILT spending is at an unsustainable level and had to make some hard decisions to reduce the difference in revenues to expenditures to \$134,882 in order to slow the drop in reserves.

Title I of SRS is split between Park County Road fund and local schools. In fiscal year 2016, the Road fund received \$340,160 through Title I, and Park County has budgeted SRS revenue for fiscal year 2016 slightly higher at \$350,000. Absent congressional action to extend SRS, future payments could revert to a 25% formula, which would create a very significant hardship for the Road fund.

Title II of SRS is designated for special projects on federal lands nominated by a local Resource Advisory Committee (RAC), and Title III is to support community wildfire planning and protection. Title II funds in 2017 are dedicated to the Big Creek Road Improvement project in the amount of \$23,699. Because the allowable uses for Title III funds are restricted and under a deadline, in recent years Park County elected to allocate 0% of its SRS payment to Title III. Currently, previous elections have been carried forward so there is no additional funding from Title III.

BN Capital Fund

The BN Capital Fund was created with a settlement award from a lawsuit between Park County and the BNSF Railway in relation to pollution issues at Park County landfill. The original settlement of \$8,727,098 is defined as the principal amount of the fund. In 2012, Resolution #1145 allowed the expenditure of interest accrued from the award on capital improvement projects and to repay the Search and Rescue building loan. In July of 2015, the Commission amended that resolution to allow for expenditure of the principal of the BN Capital funds on a limited basis.

In fiscal year 2016, \$325,442 was appropriated for capital improvement projects, but only \$247,469, or 76%, was used. Several of the capital projects are ongoing. In fiscal year 2017, \$856,938 has been appropriated for continued funding of matches for several FLAP projects, as well as continued funding of loan payments for the SAR building and landfill monitoring and a portion to cover Park County's match for the FAA Airport runway rehabilitation. The FLAP portions of those appropriations are itemized below in the discussion on Capital Improvement Projects. In addition, two loans have been made to two Cooke City government agencies within Park County which are being repaid at the prevailing prime rate at the time of the loan. The projected fund balance at the end of 2017 is \$8,817,811.

Permissive Medical Levy

Montana law allows local governments to permissively levy for the increase in employer contributions for group health insurance benefits. For fiscal year 2017, the Commissioners elected to hold Park County's contribution to employees' health insurance premiums flat as there was no increase passed on by the provider.

Debt

Park County has an allowable debt limit of \$62 million, per 7-7-2101 MCA, yet owes less than \$1 million to outside financing sources. In fiscal 2014, Park County incurred an \$880,000 debt from the Montana Board of Investments in order to construct a new Search and Rescue facility on Park County land. The loan has a variable interest rate which for fiscal 2017 is 1.55%, and total outstanding loan balance as of this writing is \$724,370. The only other outside debt that Park County owes is \$40,639 on a 2012 airport loan with a 10-year term.

The Road Fund owes \$154,616 internally to the BN Capital Fund for financing road graders purchased in 2013. There are 3 years left on the loan, including fiscal year 2017. The Angel Line Fund owes PILT for an internal loan of \$21,152.77 for the purchase of a vehicle. The loan has a term of three years at an interest rate of 3.25%.

In 2017, the Commission has approved the use of an InterCap loan to purchase a \$65,000 switchgear to allow backup power in case of an outage in the City/County Complex. Using an InterCap loan for a capital purchase will relieve the burden on PILT. The rate will be 1.55% with a 10 year term.

There is no enterprise fund debt. The only debt service fund of Park County is one created from the Junk Vehicle program reserves to fund future compensated absences for that department. There has been a one-time designation in the amount of \$4,295.

Capital Improvement Projects

Major capital projects budgeted in fiscal year 2017 include the following:

- Park County has four Federal Lands Access Program grants in progress.
 - The Main Boulder River Road Improvements grant is a \$6.5 million project to improve a road that winds between Park and Sweet Grass Counties providing access to the Gallatin National Forest. The local match will be shared between both counties, and Park County has budgeted the same \$462,460 in fiscal year 2017, to be provided by the BN Capital Fund.
 - The Gardiner Gateway project is an \$11.8 million project aimed to reduce congestion, improve safety, and provide parking in the unincorporated town of Gardiner, which is the north entrance to Yellowstone National Park. Park County has budgeted \$20,000 in fiscal year 2017 to cover fees related to the project to be provided by the BN Capital Fund.
 - The Mill Creek Road rehabilitation project is a \$1.96 million project that will utilize FLAP grant funds. Park County's match totals \$262,529 and is to be funded out of BN Capital. Park County has budgeted \$231,025 in fiscal year 2017 as its share of local match.
 - The Tom Miner Bridger Replacement project is a \$2.42 million project that will utilize FLAP grant funds to replace the Tom Miner and Rock Creek Bridges. Park County's match totals \$325,265 and is to be funded out of BN Capital. Park County paid \$18,547 in 2016 and the balance of \$306,808 is due in fiscal year 2018. There are no funds due in fiscal year 2017.
- Park County has maintained a Trust Account with the MT DEQ to cover the costs associated with Landfill Closure, Corrective Action and Post Closure Monitoring. The Commissioners began full closure of the Park County landfill in 2015. The 2017 phase of this process has been calculated at approximately \$500,000 and will be reimbursed out of those accounts which are strictly managed by a third party (i.e. First Interstate manages the investments & the MT DEQ approves disbursements) after the full closure has been approved by the MT DEQ.
- Park County has acquired a FEMA grant to upgrade the North Hill Communications Tower which has become ineffective in relation to newer equipment installed in the dispatch center and law enforcement vehicles. The project was delayed from 2016 due to resolution of land issues. The total of the grant for 2017 is \$177,000 with an additional local match of \$10,000.
- Park County has received a Federal grant to replace failing 911 radio consoles. The total grant amount is \$125,000 for a system which is estimated to cost \$275,000. The remainder of the funds will come from 911 Emergency funds and City Dispatch funds.
- In 2014 the County completed a City County Complex Use Assessment in order to better serve the public and began Implementation in 2016. In 2017, \$50,000 has been budgeted out of the Building CIP funds for continued implementation.

- As part of the remodel to the City/County Complex, the 911 Dispatch Center is due to be moved upstairs. There is \$45,000 budgeted for new furniture out of the 911 Emergency Funds.
- It has been determined that a switchgear, which allows power to switch from a standard power grid to a backup power center, needs to replace the old equipment which is in danger of failing. The equipment is estimated to cost \$65,000 and an InterCap loan will be utilized to fund the replacement.
- Brackett Creek Road received a major upgrade in 2016 with the application of millings to create a hard surface. Chip sealing of the road is scheduled to take place in the spring of 2017. The total required budget in 2017 for this continuing project is \$165,000 out of Road & Bridge CIP funds.
- The Sheriff's Office has budgeted \$160,000 for replacement vehicles for Law Enforcement.

Other details of note

Park County continues to manage the resort tax funds for the residents of Cooke City.

The Consumer Price Index increase for 12 months ending in May 2016 was 1% and the Employment Cost Index (wage inflation) for 12 months ending in March 2016 was 2.3%. These indices are often used as a basis for salary adjustments. Counties are free to provide salary adjustments for elected officials based upon a recommendation from the Park County Compensation board. Park County's Compensation Board recommended that elected officials receive a \$520 increase to their base salary for fiscal year 2016. Wages for non-elected Park County employees were subsequently increased by the same \$.25 per hour issued to elected officials for a 40 hour work week. This dollar adjustment was provided to employees this year instead of a percentage increase to allow lower dollar per hour pay to get a better percentage adjustment. This equated to keeping the overall salary adjustment comparable to a 1.5% increase in wages. Some of payroll is covered by grant funding, such as for DES, MRDTF, Victim Witness and numerous Health Grants. Total payroll, including taxes and benefits, was budgeted at \$6,263,165 in 2016 and increased to \$6,434,314 in 2017, including one new grant funded position and some pay adjustments.

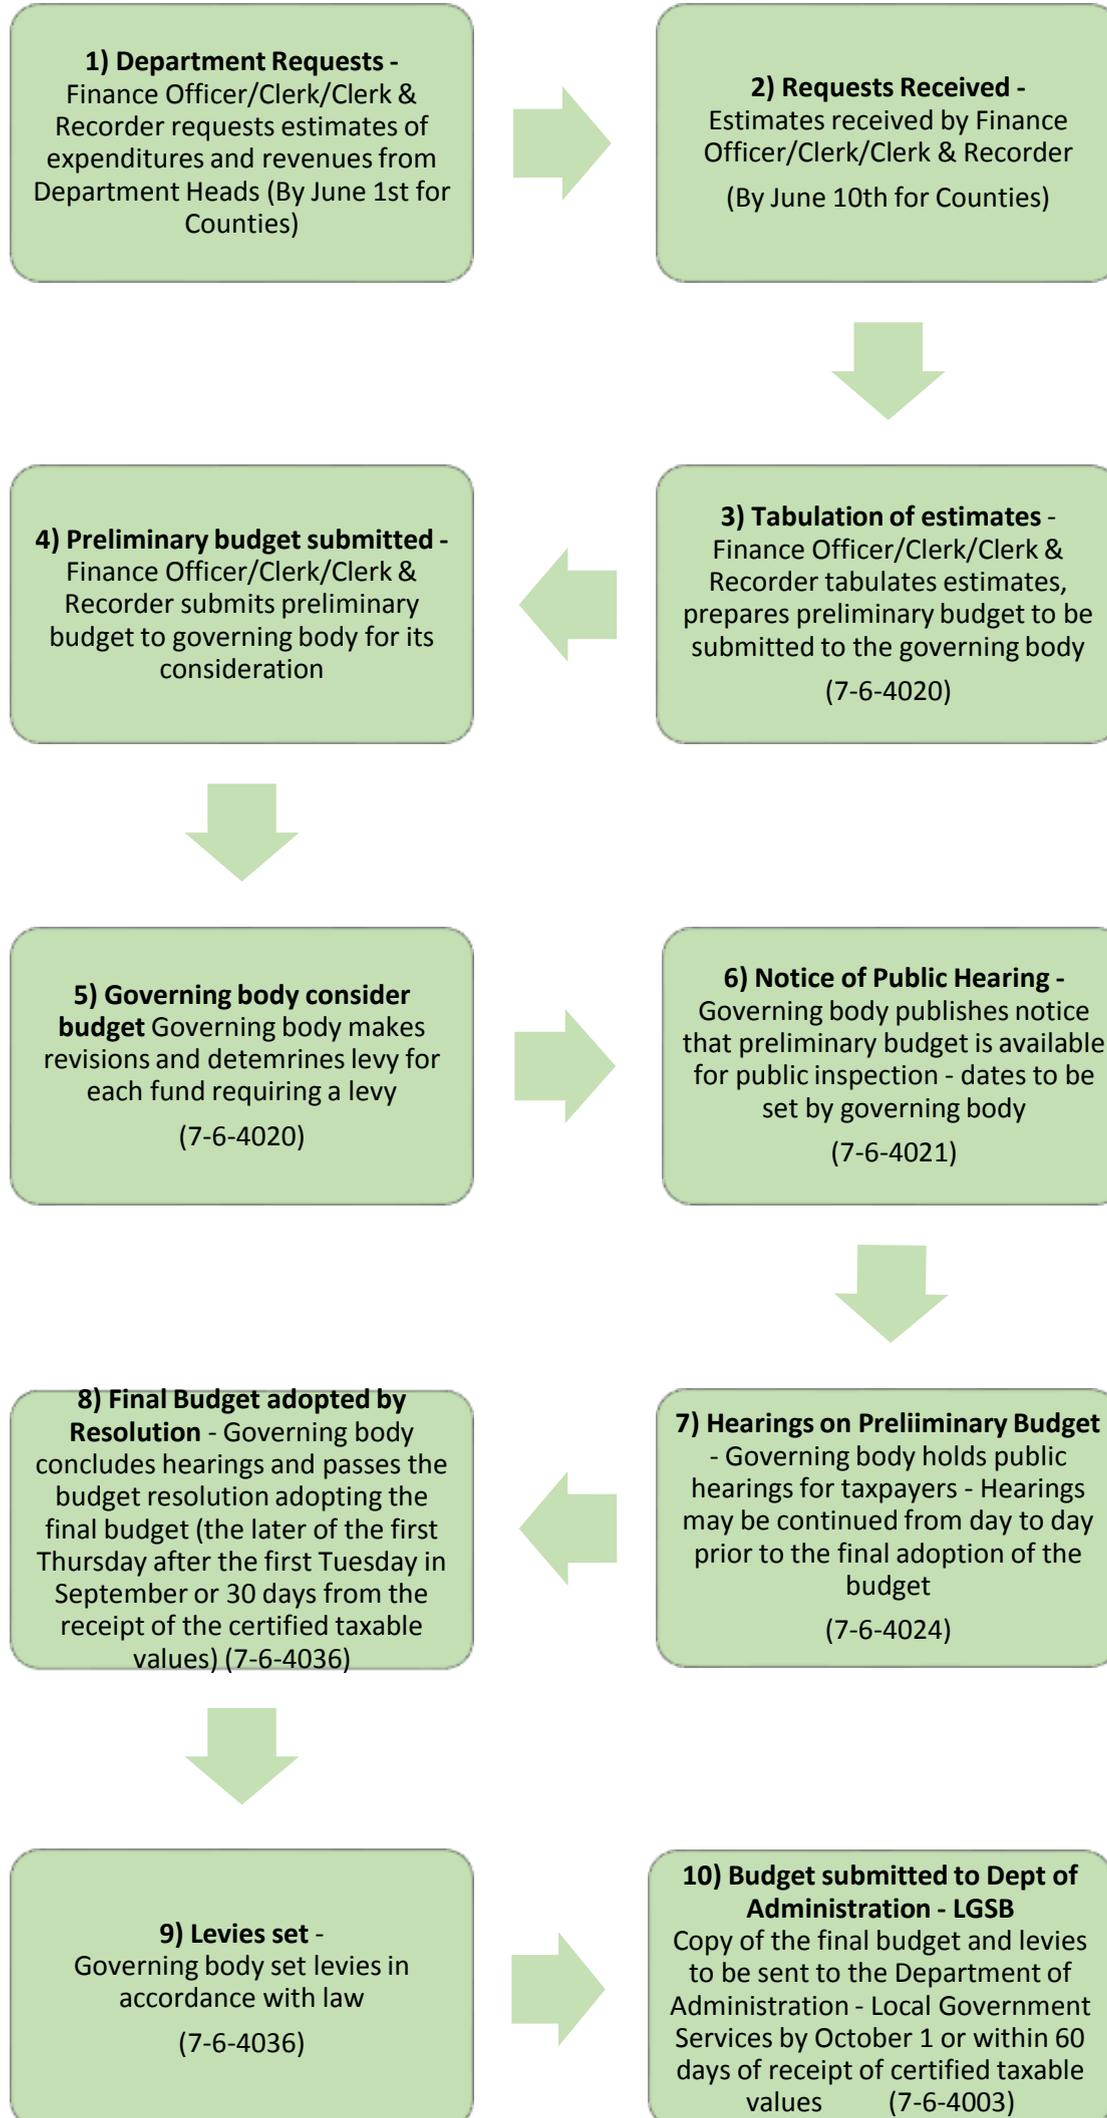

In 2016, one of the 911 Radio Console Systems failed and it took one week to get the part replaced due to the age of the system. Discussions are underway to purchase a new system along with a backup system for the safety of the community. A Federal Grant has been awarded, and along with the project is the desire to move the 911 Dispatch department upstairs into a more usable work area.

TAXABLE VALUATION/MILL LEVY

HISTORY AND ANALYSIS

(NOTE: This analysis includes only those levies subject to the limitations of Section 15-10-420, MCA and does not include voted or permissive levies. In addition, only the levies assessed entity-wide are to be included.)

Table with 8 columns: FISCAL YEAR, ENTITY-WIDE TAXABLE VALUATION, %INCREASE (DECREASE) FROM PREVIOUS YEAR, PREVIOUS YEAR LEVY, CURRENT YEAR AUTHORIZED LEVY, FLOATED MILL-UP (DOWN), CURRENT YEAR ACTUAL LEVY, CARRY FORWARD MILLS AVAILABLE. Rows include fiscal years from 1998-1999 to 2016-2017, and a total carry-forward mills available of 4.61.

**NOTE: 1998-1999 is the first base year under the provisions of Section 15-10-420, MCA. Each subsequent fiscal year becomes the base year for the next fiscal year. This section also allows an entity to carry forward any levies which could have been levied but were not to future periods.

The current year levies are at the maximum levels authorized under Section 15-10-420, MCA.

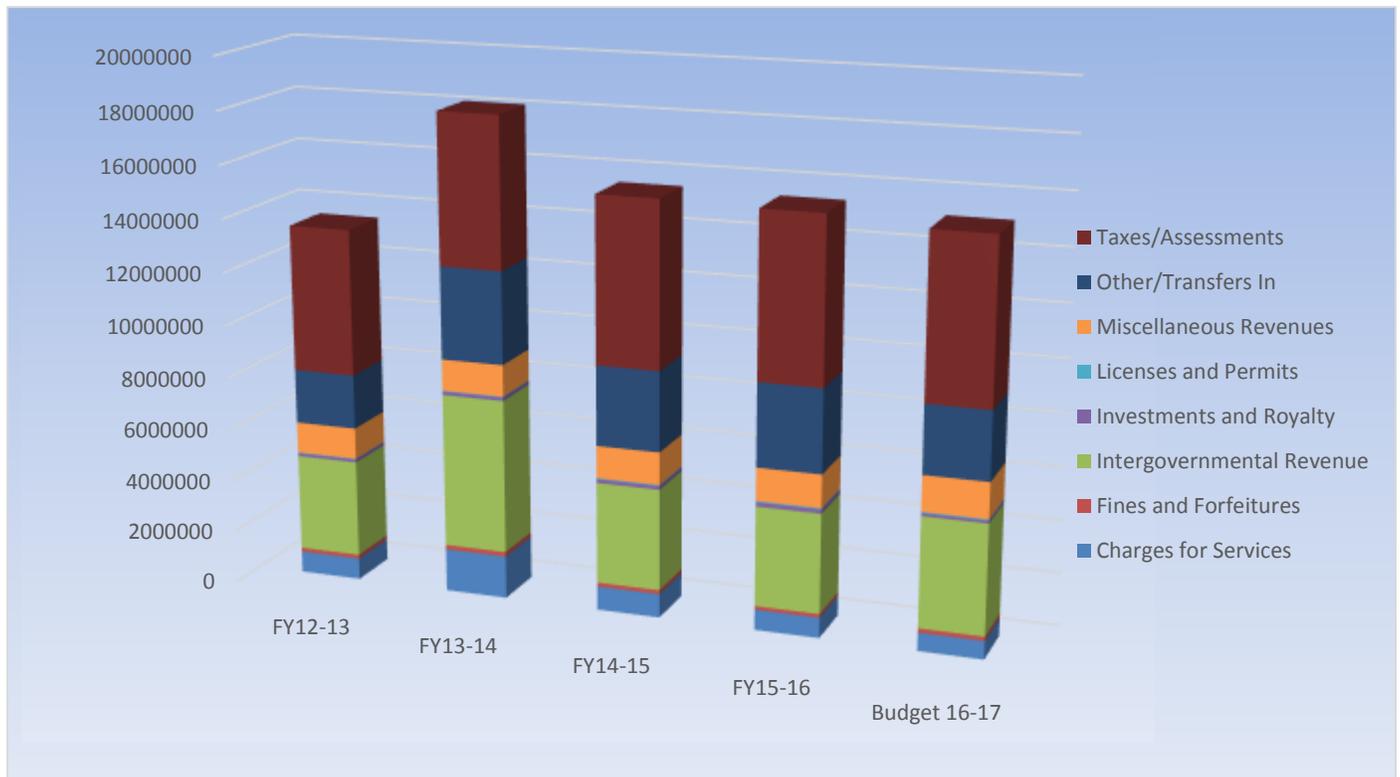

If you have levies that are voted/judgement/permissive levies please list below:

Table with 2 columns for listing levies, with 'Permissive Medical Levy' listed in the first row.

RESOLUTION #1234

A RESOLUTION BY THE BOARD OF COUNTY COMMISSIONERS, PARK COUNTY, MONTANA, ADOPTING THE FINAL BUDGET FOR PARK COUNTY, MONTANA FOR FISCAL YEAR 2016-2017, ESTABLISHING THE TAX LEVY, AND AUTHORIZING APPROPRIATIONS

WHEREAS; the finance officer has presented the preliminary budget for Fiscal Year 2016-2017 to the Park County Commission as required by Section 7-6-4001 *et seq*, Montana Code Annotated (MCA); and

WHEREAS; the Park County Commission has considered the budget and has made revisions, reductions, additions, and changes deemed appropriate and in the best interest of Park County as set forth in the preliminary budget; and

WHEREAS, a copy of the preliminary budget and the draft final budget has been placed for public inspection in the Accounting Office at 414 East Callender Street, Livingston, Montana; and

WHEREAS, following due notice pursuant to Section 7-1-2121, MCA, the Park County Commission held a public hearing on September 8, 2016, at 9: a.m. to adopt the final budget for Fiscal Year 2016-2017 at which time the Park County Commission took public comments and any taxpayer or resident was allowed the opportunity to speak for or against any part of the proposed budget.

NOW, THEREFORE, BE IT RESOLVED by the Park County Commission as follows:

Section 1: That the final budget for Park County, Montana, for Fiscal Year 2016-2017, attached hereto and which is hereby incorporated into this resolution by this reference as though fully set forth herein, is hereby adopted and the appropriations as set forth in the attachment are hereby made.

Section 2: That the Park County Commission hereby fixes and levies the general all-purpose mill levy against all taxable property both real and personal, in Park County, Montana, and special revenue mill levies against each district's applicable taxable property, both real and personal, in Park County, Montana, for the Fiscal Year beginning July 1, 2016, and ending June 30, 2017, as follows:

Section 3: That the effective date of this resolution is July 1, 2016.

Section 4: That the taxes levied hereby shall be collected by Park County, Montana, and the Park County Commission shall cause to be certified to the County Treasurer and the County Clerk & Recorder of Park County, Montana, a copy of this resolution.

Section 5: That the Park County Commission is hereby authorized pursuant to Section 7-6-4031, MCA, to transfer appropriations between items within the same fund.

Section 6: Pursuant to Section 7-6-4006, MCA, appropriations may be adjusted pursuant to procedures authorized by the Park County Commission for:

- (a) Debt service funds for obligations related to debt approved by the governing body;
- (b) Trust funds for obligations authorized by trust covenants;
- (c) Any fund for federal, state, local or private grants and shared revenue accepted and approved by the Park County Commission;
- (d) Any fund for special assessments approved by the Park County Commission;
- (e) The proceeds from the sale of land;
- (f) Any fund for gifts or donations; and
- (g) Money borrowed during the fiscal year.

Section 7: Pursuant to Section 7-6-4021, MCA, the Park County Commission hereby authorizes adjustments to appropriations funded by fees throughout the budget period which are based upon the cost of providing a service and are fully funded by the related fees for services, fund reserves or non-fee revenue such as interest for:

- (a) Proprietary fund appropriations; or
- (b) Other appropriations specifically identified in the final budget resolution as fee-based appropriations.
