

GIS Department Data and Map Disclaimer

Park County acquires, develops, maintains and uses GIS data in support of its internal business functions and the public services it provides. It is the requestor's responsibility to verify any information derived from the GIS data before making any decisions or taking any actions based on the information.

Park County shall not be held liable for any errors in the GIS data. This includes errors of omission, commission, errors concerning the content of the data, and relative and positional accuracy of the data. Source information used for these data may have been collected at different scales, times or definitions, resulting in inconsistencies among features represented together on this map. Primary sources from which these data were compiled must be consulted for verification of information contained in the data. Park County assumes no legal responsibility for this information.
