9 **STANDING ORDER REGARDING CLERK OF COURT'S FILES**

10 Local Rule Nine currently provides that that civil files and probate files may be checked  
11 out from the Clerk of District Court for up to ten calendar days by attorneys or licensed title  
12 examiners residing in the county. Maintenance of the Court files is a matter within the purview of  
13 the Clerk of District Court. The Clerk of District Court has implemented a policy change that  
14 precludes its files from being checked out. The Local Rule will be amended to reflect this change.  
15 In the interim, pending a revision of the Local Court Rules, good cause exists for entry of the  
16 following standing order:

- 17 1. The Sixth Judicial District Court Local Rule Nine, to the extent it provides for the  
18 ability of Court files to be checked out from the Clerk of District Court's Office is abolished.
- 19 2. Amendment of the Local Court Rules to reflect this change will be carried out in the  
20 forthcoming comprehensive review of Local Court Rules, which review will include the input of  
21 members of the local bar association.

22 DATED this 3rd day of October, 2019.
