

COOPERATIVE AGREEMENT

BETWEEN PARK COUNTY WEED DISTRICT & LANDOWNER

The LANDOWNER agrees to abide by the Montana County Weed Act, title 7, chapter 22, sections 7-22-2101 through 7-22-2153. The LANDOWNER further agrees to manage noxious weeds as defined under the Montana County Weed Act and the Park County Noxious Weed Management Plan.

By signing this agreement, the LANDOWNER agrees to develop a Noxious Weed Management Plan that is in conjunction with the State of Montana requirements for noxious weed management and that is met with the approval of the Park County Weed Control Board. The Noxious Weed Management Plan will include the property as described in the legal description on the plan. The plan will specifically state how and when weed control efforts will be implemented. Control methods may include biological, chemical, mechanical, or cultural management practices. The LANDOWNER will implement whichever method(s) serves the best control as determined by the Noxious Weed Management Plan developed, and agreed upon, by the Park County Weed District Supervisor, the Park County Weed Board, and the LANDOWNER.

The LANDOWNER further agrees to ensure that any major ground disturbance activity located on owned and leased property will be seeded back as soon as practical to plant species approved by an MSU Extension Service.

The LANDOWNER understands that failure to implement the Noxious Weed Management Plan will result in Non-compliance and is subject to civil penalty.
